Hello, Clive and welcome on A&B; it's a very great pleasure and an honour for us to meet you.

- Clive Nolan -

Hi... Thanks for talking to me.

- A&B -

Well, Clive, can you tell us how Caamora's idea was born, can you tell us about She project and

There was a lot of emotion! This is my 'life's work'! There was so much stress and focus making this work

- A&B -

I admit that, in the beginning, I listened 2CD version and the work, though very fine and pleasant

- Clive Nolan -

My greatest wish would be for 'She' to be performed as a musical in its own right. It doesn't need 'Caamora'

- A&B -

In my humble opinion some songs of "She" are little masterpieces, songs as "Ambush", "Curse"

- Clive Nolan -

Wow... difficult question. All the music means so much to me. One of my favorite songs on the night was

Progressive Rock in Italy is always been a prolific genre; there are lots of past italian bands, but

- Clive Nolan -

Well... I don't know many Italian bands, but I know Italy was good for Genesis at the beginning of their time

My influences are more likely to be film music writers like Danny Elfman, John Williams and Ennio Morricone
