---

### SCROLL DOWN FOR ENGLISH VERSION

"Rings of Earthly Light", published in 1991, is still considered one of the artistic heights of the progressive rock era. Hardly prolific (the second album "Third eye light" is from 2010), they have maintained each listening of the nine tracks allow to get new shades, demonstration in what the band has been working on. Appreciable the voice of Minniti, that without special vocal acrobatics, "colors" the best pastels palette of the progressive rock.

Non certo prolifici (il secondo album "Third eye light" è del 2010), hanno comunque mantenuto nel corso degli anni la loro arte. Ogni ascolto dei 9 brani presenti permette di cogliere nuove sfumature a dimostrazione di quanto la band ha lavorato. Apprezzabile la voce di Minniti, che senza particolari equilibrismi vocali, "colora" al meglio la tavolozza a

### ENGLISH VERSION

"Rings of earthly light", published in 1991, is still considered one of the artistic heights of the progressive rock era. Hardly prolific (the second album "Third eye light" has been released on 2010), they have maintained each listening of the nine tracks allow to get new shades, demonstration in what the band has been working on. Appreciable the voice of Minniti, that without special vocal acrobatics, "colors" the best pastels palette of the progressive rock.
