A multi-platinum selling hard rock band, Honeymoon Suite has been a mainstay of the hard rock scene since their debut album, 'Clifton Hill', in 1987. The band's sound is a blend of classic hard rock and modern rock, with a focus on strong melodies and powerful guitar riffs. Their music has been a staple of the hard rock radio format for decades, and they have consistently delivered high-quality recordings. The album 'Clifton Hill' is a testament to their enduring appeal and musical prowess. It features a mix of hard-hitting rock anthems and more melodic tracks, showcasing the band's versatility and songwriting skills. The album is a must-listen for any hard rock fan, and it remains a fan favorite to this day.
