I **Mostly Autumn** hanno a pubblicare cd quasi in sordina, cercando di stare lontani dal music business. Si perché **Pass The Clock** include anche molte chicche (non brani inediti, ma una sapiente rimasterizzazione),

Il primo **Something For The Spirit** (2004), **Distant Train** (2005), **The Secret Harbour** (2006), **One Side White** (2007), **Finally** (2008) e **Pass The Clock** (2009).

Una visita a **Mostly Autumn** [Pass The Clock](#) **80/100** [Pass The Clock](#) esce per la loro etichetta discografica, ma stavolta con
